1991	28	188	223	120	4,616	4,268	2,218	1,127	2,384	380	15,389

Note:

Provincial Hog Marketings = Other disposition + international exports + interprovincial exports.

National Hog Marketings = Other disposition + international exports.

National Hog Marketings will not equal the sum of Provincial Hog Marketings due to the counting of interprovincial exports.
