CODE OF CONDUCT

All personnel who sign this document agree to comply with the following Code of Conduct.

I (name), _____,

agree to respect the highest standards of food safety, animal care and their associated technical principles in fulfilling my responsibility on behalf of (company name) _____

and to respect the following commitments under the Code of Conduct:

1. To act professionally and in a respectful manner.
2. To assist those under my supervision (if applicable) to develop their food-safety and animal-care skills.
3. To perform all tasks for which I am responsible in accordance with the procedures that I have been taught.
4. To act ethically toward animals using appropriate handling practices.
5. To report to my supervisor any situation related to animal care and food safety that is considered unacceptable.
6. To report, within 24 hours, any cruelty or neglect (as defined in the Animal Welfare Policy) that I observe to the site manager, owner or the herd veterinarian.
